Summary

As a dedicated Laravel Developer with a strong focus on back-end development, I have a proven track record of building robust, scalable web applications. While my primary expertise lies in back-end technologies, I have also successfully managed front-end tasks, showcasing my versatility and adaptability in web development.

Experience

AHF Technologies

19 Sep 2022 - Present

Associate Web Developer

Karachi, Pakistan

[🔗 https://ahftechnologies.com](https://ahftechnologies.com)

- Built responsive web apps with cross-browser compatibility and mobile-first design
- Worked with product and design teams to implement features based on business needs
- Led migration from legacy systems to modern frameworks to improve scalability
- Enhanced security through encryption and authentication protocols
- Reduced website load times 30% through optimization and compression
